## OVERVIEW

Interior Design is fast becoming an extremely popular career choice in India. The craze for this profession has gained momentum after wives of famous Bollywood stars from the likes of Gauri Khan, Twinkle Khanna to Suzanne Khan have started their own labels.

Interior designers are people who work in close proximity to architects. They help in planning out the layout of an establishment which can be a house, office, or any other commercial complex in such a manner that the area at hand is utilised in the best possible way. Interior designers help firms/homeowners in planning out the layout, structure, colour schemes, furnishings, and decorations of their establishments.

**Employability:** Real Estate Industry, Home Improvement Retail Market, Building Industry Associated Firms, Hospitality Industry, Film and Television industry, Advertising Industry, Event and Entertainment Industry.

# STUDENT TESTIMONIALS

AAFT online has the best environment to explore various structure designing courses in one place. They have awesome faculties who always show their support towards the students. I now find 3d max and AutoCAD designing more ease. AAFT online has given me a great career and changed my life in the field of Interior design. Thanks to all faculties for helping me get this wonderful career.

**Amanpreet Kaur**

**2<sup>nd</sup> Batch - February 2021**

For a novice like me, the AAFT Online Interior Design diploma course has provided me with the right basis for this field. Starting from the fundamentals and elements of design, the course was designed to provide an insight into the various factors of designing, like colour theory, material selection, carpentry, plumbing, light theory, etc... Apart from this, the course was also designed to introduce designing software that gives us an edge in the current market.

The faculty with their in-depth knowledge and insights were always eager to help the students. Live Webinars were also conducted to connect the students to the professionals in the field so we can get hands-on experience with the latest trends.
