CHAIRMAN'S MESSAGE

We have been persistently on a mission to impart creative excellence to the youth and strengthen the media & arts community globally. We believe AAFT Online can help to bridge the industry-academia gap faced in the media and entertainment industry by reaching to the global network of creative enthusiasts. We have established innovative pedagogy and methodologies to provide cutting-edge learning environment to the students. Our curriculum is curated by industry professionals and academicians to foster training in such a way that our students can efficiently meet the industry requirements and demands, thus, excelling in their chosen vocations.

I would like to encourage students to follow their calling and choose the path of creative arts learning, taking the first-step towards transforming passion into profession. I would also like to extend my gratitude to our promoters and supporters for their persistent trust and enthusiasm which continuously motivates us to serve the education community and set new benchmarks with our contemporary teaching modules.

INDIAN FASHION

INDUSTRY OUTLOOK

Increasing adoption of affordable clothes by the rising youth population is driving the fast fashion market.

The fast-fashion market consists of sales of clothing and apparel in trend and related services. Fast fashion means garments that move quickly from the catwalk to the stores to meet the new trends. Fast fashion clothing collections are supported by the foremost recent fashion trends presented at Fashion Week.

STUDENT TESTIMONIALS

A very good learning platform. Good faculties.
Effective recorded sessions in LMS portal.
Weekend classes is highly remarkable.
All the questions were properly answered. The assignments are really helping us to do a self analysis and research on the topics. Overall the AAFT online Program is really great.

Krishna PM

2nd Batch - November 2021

I would really want to thank the entire team of AAFT online program involved in Diploma in Fashion designing be it with the mentors, technical persons as they would resolve the queries in very short period of time. Teaching methods are very simple and crisp to the topic.
